Dear Comrades of Shiso Undo:

The Nicaraguan Embassy in Japan on behalf of the Government of Reconciliation and National Unity and the Nicaraguan People, congratulates and recognizes the effort and dedication of your organization to Commemorate the 104th Anniversary of the Triumph of the Great October Revolution of 1917.

The Triumph of the October Revolution, meant the first socialist revolution, where workers and peasants participated, united in a revolutionary movement that was avant-garde by the Bolshevik Party under the leadership of Vladimir Ilyich Lenin.

Demonstrating to the World that the oppressed classes could Govern and Develop a Country.

The Soviet Union was an example and pioneer in guaranteeing its population many rights and social benefits, it meant the end of illiteracy, the reduction of the working hours, decent wages for the working classes, free education, free and universal health care, carrying out a transformative agrarian reform, among others. Achieving great economic, social, political and military developments in a short period of time, extraordinary advances, showing that Socialism was possible.

Internationally it is an example for the struggle of the working and oppressed classes of the World, in the fight for Freedom, Justice and the Claim of Fundamental and Social Rights of the men and women of Humanity. It means the Triumph of Socialism over Capitalism.

Likewise, we cannot omit the role of the Soviet Union and its People in World War II, in which 27 million Soviet soldiers lost their lives, achieving the defeat of Fascism in Europe, and promoting the socialist system.

We send a fraternal and revolutionary greeting, reiterating our solidarity with the activities prepared by your organization on this 104th Anniversary of the Triumph of the October Revolution.

Fraternally,

Claudia M. Pérez López
